Zoning Permit Application Addendum - SAPA Land Use Sharing Acknowledgement

In completing the South Abington Township Zoning Permit Application, please note that South Abington Township is a participating municipality in the Scranton-Abingtons Planning Association (SAPA). The nine SAPA municipalities, including South Abington Township, cooperatively provide for and maintain a combined inventory of all lawful land uses within the SAPA Multi-Municipal Planning Region such that every land use does not need to be provided for in every municipality.

If a use is not explicitly provided for in the South Abington Township Zoning Ordinance, please refer to the zoning ordinances of the other SAPA municipalities to determine whether your proposed use is provided for elsewhere in the SAPA Region.

Place a checkmark in each box below to acknowledge the following statements. Then, sign and return this form with your Zoning Permit Application. No Zoning Permit Application is deemed complete unless the statements below are acknowledged. (*Required Field)

I acknowledge and understand that South Abington Township is a participating municipality in SAPA and that the SAPA municipalities maintain a combined regional inventory of land uses such that every land use does not need to be provided for somewhere in South Abington Township.*

I acknowledge and understand that even if the use I am proposing in this Zoning Permit Application is not explicitly provided for in the South Abington Township Zoning Ordinance, the use is provided for in one of the other SAPA municipalities' zoning ordinances.*

Acknowledge the following if your proposed use is not explicitly provided for in the South Abington Township Zoning Ordinance:

I acknowledge that I have reviewed the zoning ordinances of all nine SAPA municipalities to determine where the use I am proposing is provided for in the SAPA region outside of South Abington Township.

The participating SAPA municipalities are Clarks Green, Clarks Summit, Dalton, and Dunmore boroughs; Newton, South Abington, Waverly, and West Abington townships; and the City of Scranton.
